Mr Wayne Shirley
Dean of the Library School
Pratt Institute
Brooklyn 5, New York.

Dear Mr Shirley:

Excuse my delay in answering your letter of April 1st. but we have had very bad time in our University. The students had a strike and took possession of the main office and several schools. The President resigned and it was a very abnormal situation during more than a month.

Now things look better, there is a new President and today was installed in the main office. The Summer session opens on July 2d. The register is sending to you, two copies of the catalog.

I am very busy because I am doing the proof reading of the Union List of Serials of the Medical Libraries, in the Benjamin Franklin Library. Besides, I am the Assistant librarian of the Biblioteca de México, a new library, whose Librarian is Lic. José Vasconcelos, a philosopher and educator, known the world over. I do this work in the morning, the proof reading in the afternoon, and my classes of first, second and third year of cataloging, at the Library School, in the evening.

Pardon me for the favor I am going to ask you. Herewith you will find check #102197, for \$6.00. Will you be so kind to give \$5.00 to the Alumni Fund and \$1.00 to the Graduates Association?

Thanking you for all your kindness, and with best regards to your family and my dear School, I am

Sincerely yours.

María Teresa Chávez

I saw in the Pratt Alumnus there is going to be a change in the Library School curricula, I am very interested in that, and shall appreciate any information on the subject.
